## Mother's Day

### mum deserves a break

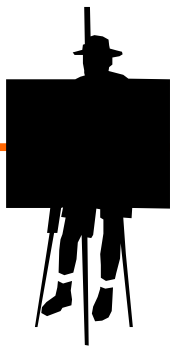

so why not spoil your mum on Mother's Day with a gift she'll always remember

Our mums deserve a change of scenery and to do something completely different – an escape from the daily routine - a one day artistic escape.

## congratulations

to Kylie and Brett on the arrival of Eli Rory. Isn't he just gorgeous! Kylie has taken a huge step and decided to be a fulltime mum and we wish her the very best of luck for the future. You will still see Kylie's art in the studio, and she has promised to come back to help when Eli is a little older.

- much much more
